Amendment A

Assistant Commissioner for Patents
Washington, District of Columbia 20231

Sir:

In response to the Office Action mailed 2002 Oct 02, please amend the above application as follows:

✓ **Title:** Change to – Light Refraction Fly Repellent Using Clear Fluid in Sealed Plastic

Claims: Cancel all claims of record and substitute new claim as follows.

Sub 3 #2
A method for repelling the common house fly and members of the house fly family by refraction of light, comprising

- a1*
- (a) a sealed, firm, clear plastic container enclosing a clear liquid,
 - (b) a sealed, flexible, clear plastic container enclosing a clear liquid.

REMARKS – General

By the above amendment, applicants have amended the title to emphasize the novelty and unexpected results of the invention.

Also, applicants have rewritten the claims to define the invention more particularly and distinctly and to define the invention patentably over prior art.

Objections to the disclosure are noted and submitted herewith.
